

MICA GARDENSCAPES

Lawn Care Services

Rates & Billing Structure

All work will be charged as ***time and materials***.

Time includes*: on site labor hours, drive time, waste disposal time. **Materials** include*: fertilizer, seed, mulch, equipment rentals or any other material used on site for services requested. **Waste disposal** (if not able to dump on site) will be charged as a material by the yard based on market rate.

Lawn Services Hourly Rate:

Lawn Service Lead: \$65/hr

Crew: \$50/hr

These rates are designed to eliminate extra fees for administrative work including billing and materials sourcing associated with any work done. Should any **extra fees** need to be applied, these will be discussed with the customer **prior to billing**.*

Lawn Services include the following:

Spring Clean Ups: any work done as part of an ***initial spring visit*** cleaning up after ***winter damage***: raking debris, thatching and aerating, fertilizing, overseeding and initial mow & trim.

Maintenance includes* any work done on ***subsequent visits*** to maintain the health and appearance of ***existing*** lawn: mowing, trimming, fertilizing, overseeding. This also includes ***check-ins*** which are done to maintain a space on our schedule and ensure we are able to keep your lawn healthy. Check-Ins will be done on a weekly or bi-weekly basis (based on your initial scheduling). Should no work be determined to be needed, check-ins are billed as a flat rate of \$30/visit. Should there be work completed, it will be billed at the normal time and material rate.

Leaf Clean Ups are typically done in the fall, timing will vary based on the weather though we aim to complete the clean up after the peak of the leaves have dropped.

Enhancements include* work done to ***rehabilitate*** a lawn. The scope of these projects will be discussed and determined prior to work being done.

Credit Card Payment Disclaimer: Mica Gardenscapes offers our customers the option to pay with a credit card for online payments. Due to high processing fees that accompany this for a small business, a 2% Convenience Fee will be added to your invoice should you pay with a credit card.

Checks are still the preferred method of payment and should be made out to ***Mica Gardenscapes*** and sent to the following address:

PO Box 517, Oak Creek, CO 80467
